METFORMIN RESTRICTION POST IODINATED CONTRAST INJECTION

DISCHARGE INSTRUCTIONS

The manufacture of Metformin has these recommendations that Oregon Medical Group would like to bring to your attention:

- Metformin should **NOT** be resumed until 48 hours after the exam;
- It is recommended that you consult with your physician before resuming Metformin.

Your signature states that you've read and understand the above statements. If you need clarification, please consult with your physician or ask one of our Technologists. If you have questions after you leave today, please call us at (541) 242.4110.
